PURPOSE:

The purpose of this amendment is to add the Aurora Drive Noyes Slough Bridge #0209 project to this agreement to provide for the future maintenance of the bridge and associated pedestrian facilities built under this project.

Section 1 and Section 2 are replaced with the following sections. Section 3 remains unchanged.

1. THE ADOT&PF AGREES TO THE FOLLOWING:

Coordinate all funding for design and construction through the Fairbanks Metropolitan Area Transportation System (FMATS) Transportation Improvement Program (TIP) and the Statewide Transportation Improvement Program (STIP).

Provide structural maintenance of the Aurora Drive Noyes Slough Bridge #0209.

2. THE COF AGREES TO THE FOLLOWING:

The COF maintains Aurora Drive and will continue to maintain Aurora Drive after project completion.

The affected roadway for this work includes Aurora Drive from Hanson Road to College Road, including the Aurora Drive Noyes Slough Bridge #0209.

Continue routine seasonal maintenance of the Aurora Drive Noyes Slough Bridge #0209 including pedestrian facilities, signage, and drainage constructed under this project.

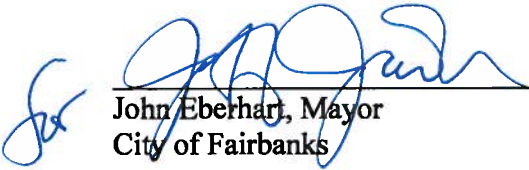

“Keep Alaska Moving through service and infrastructure.”

Federal Highway Administration funds are involved in this project. The COF will manage this facility in conformance with all Federal Highway Administration requirements including all applicable management responsibilities of rights of way within the extent of this project as depicted in Exhibit A attached to this agreement.

The COF will be responsible for permitting all utilities within the COF managed rights of way for Aurora Drive, in accordance with 23 C.F.R. §645.209(g).
