PRESS RELEASE

DATE: April 7, 2017
INCIDENT: Barricaded Subject
CASE #: 17-1096

The Fairbanks Police Department responded to a Hit and Run in the area of South Cushman and Van Horn Road at approximately 0711 hours this morning. The caller reported a vehicle hit his car then the driver got out of the car, stated he was "wanted" and walked away.

As officers responded to the hit and run, the Fairbanks Emergency Communication Center (FECC) contacted the registered owner who verified that they were out of town and the vehicle was not supposed to be driven. FECC contacted the house-sitter whom confirmed that the vehicle should be at the house. Alaska State Troopers responded to the house and verified the house was burglarized and the vehicle in question was stolen from that residence. The residence was in Alaska State Troopers jurisdiction.

Officers were able to track the suspect to an out-building near the corner of South Cushman and Van Horn Road where the suspect barricaded himself inside. The Tactical Police Team was called out, but the suspect surrendered peacefully as they arrived at the scene.

MARK STEPHEN DONOVAN, JR (4/5/1987) was arrested by the Fairbanks Police Department for two outstanding warrants: Failure to comply with conditions of probation and Vehicle Theft in the First Degree.

The Alaska State Troopers are also charging him with Burglary in the First Degree and Vehicle Theft in the First Degree.

The Fairbanks Police Department would like to thank the Fairbanks Emergency Communications Center and the Alaska State Troopers for their assistance in this incident.
