**ARTICLE XVI. - MISCELLANEOUS RULES [108]**

Sec. 78-572. - Special events; permit required.

**Sec. 78-572. - Special events; permit required.**

(a) No race (foot, dogsled, bicycle, etc.) procession or parade, except those of the Armed Forces of the United States, the military forces of this state or the Fairbanks Police or Fire Departments, shall occupy, march or proceed along any street or alley except in accordance with a permit issued by the city mayor or designee and such other regulations as are set forth in this article, or promulgated pursuant to this article, which may apply. An application for a permit issued under this section shall be made to the city engineer. In addition to the application, a traffic safety plan must be provided and, if applicable, a street closure application. The police, fire and public works departments shall review the application.

(b) A permit fee, with deadlines for application, is set forth in the city's schedule of fees and charges for services. In addition to the permit fee, the applicant is responsible to pay for any services that are requested or become necessary for the city to provide for the event. Expenses shall include actual labor costs (wage and benefits) and materials, if any, provided for the benefit of the permit holder. Disputes over additional fees may be appealed to the city council. Applicants for events that require a barricade package may either use a private firm that complies with the Manual Uniform Traffic Control Device Code or elect for the city to provide barricades and labor at a flat fee of \$1,000.00, provided that the mayor is authorized to negotiate in-kind arrangements where the city receives goods or services in lieu of the full or partial flat fee.

(c) Events that take place on sidewalks, pedestrian ways, or bike paths do not require a permit if (1) all participants crossing or traversing a street, alley, or vehicular way will do so in obedience to traffic control devices and the laws governing pedestrians and the operation of non-motorized vehicles; and (2) the event does not interfere with the normal use of the sidewalk, pedestrian way, or bike path by others not involved in the event.

(d) The mayor shall promulgate regulations to insure that a parade or other special event does not jeopardize the public health, safety or welfare.
