a) The Fairbanks City Council heard interested citizens concerned with the following application for a New Marijuana Product Manufacturing Facility License:

Type: Marijuana Product Manufacturing Facility, License #15800
DBA: Baked Alaska, LLC
Applicant: Baked Alaska, LLC
Address: 2745 Hanson Road, Unit B, Fairbanks, Alaska

Mr. Pruhs, seconded by **Ms. Therrien**, moved to PROTEST the New Marijuana Product Manufacturing Facility until a Certificate of Occupancy is issued by the Building Department.

Frank Turney, 329 6th Avenue, Fairbanks – Mr. Turney spoke in support of the license.

Hearing no more requests for public comment, **Mayor Matherly** declared Public Testimony closed.

Mr. Pruhs stated he supports the license because he knows that Ms. Ranstead is the right person for the job.

Ms. Rogers asked the applicants to share some information as to how they came into the industry; she asked them to share some personal information about their journey.

Audrey Ranstead, P.O. Box 83573, Fairbanks – Ms. Ranstead stated she has worked in the food industry for a long time and when marijuana became legal in 2014, making edibles piqued her interest. She stated Mr. Hallsten owns the building, and she brings food experience to the table; she stated they submitted the application to AMCO last November. She stated she is a rule follower and that she is excited Fairbanks has embraced the industry.

Steve Hallsten, 1062 Dolphin Way, Fairbanks – Mr. Hallsten stated his background is in construction, and when Ms. Ranstead approached him about using his facility he was initially concerned about the stigma associated with the industry. He stated that they each have their own businesses and that they are going to make this their side business. He stated if the business grows he may consider making it his full-time job.

Ms. Rogers thanked Ms. Ranstead and Mr. Hallsten for helping her connect with them.

Mr. Cleworth stated he has seen a lot of cultivation and retail marijuana licenses, but not many manufacturing licenses have come before the Council; he asked how many there were inside the City. Ms. Ranstead stated she did not know how many are in the City but that the manufacturing license is the most difficult one to obtain. **Mr. Cleworth** asked whether the company that lost their license about a year ago were manufacturers; Ms. Ranstead stated those owners had cultivation, retail, and manufacturing licenses, and they lost their retail and manufacturing licenses.

Mr. Pruhs discussed the business location with Mr. Hallsten.

A ROLL CALL VOTE WAS TAKEN ON THE MOTION TO PROTEST THE NEW MARIJUANA PRODUCT MANUFACTURING FACILITY UNTIL A CERTIFICATE OF OCCUPANCY IS ISSUED BY THE BUILDING DEPARTMENT AS FOLLOWS:

Mayor Matherly spoke to the recent loss of Bryan Imus; he extended his thoughts and prayers to Mr. Imus' family. He stated that Mr. Imus was in City Hall the previous week dealing with labor issues and that Mr. Imus was a former City of Fairbanks Public Works employee who later took a position at the Laborers Hall. **Mayor Matherly** stated the Golden Days Parade was a lot of fun, but it was a very hot day. He stated that he attended the street fair with his boys and had a really nice time.

UNFINISHED BUSINESS

- a) Ordinance No. 6079, as Amended – An Ordinance Ratifying a Labor Agreement Between the City of Fairbanks and the Fairbanks Firefighters Union, IAFF Local 1324. Introduced by Mayor Matherly. POSTPONED from the Regular Meeting of July 9, 2018; a Public Hearing was held at that time.

City Clerk Danyielle Snider noted that the motion to adopt is on the floor from the July 9, 2018 Regular Council meeting.

Ms. Therrien, seconded by **Mr. Pruhs**, moved to SUBSTITUTE the amended Fiscal Note for Ordinance No. 6079, as Amended.

Mayor Matherly called for objection to the motion to SUBSTITUTE, and **Mr. Cleworth** objected.

Mr. Cleworth stated he objected to the substitution because the fiscal note that was advanced is broader and reflects a three-year projection.

A ROLL CALL VOTE WAS TAKEN ON THE MOTION TO SUBSTITUTE THE AMENDED FISCAL NOTE FOR ORDINANCE NO. 6079, AS AMENDED, AS FOLLOWS:

YEAS: Therrien
NAYS: Rogers, Pruhs, Bagwill, Huntington, Cleworth
Mayor Matherly declared the MOTION FAILED.

Ms. Therrien, seconded by **Mr. Cleworth**, moved to SUBSTITUTE the proposed labor contract to include language regarding the “Janus law.”

Mr. Cleworth stated that if anyone is confused by “Janus law” language, they should ask City Attorney Paul Ewers.

Mr. Ewers gave a report on the changes to the proposed contract substitute. He explained the change that union membership would no longer be required as a condition of employment with the City. He stated that the definition of a “member” in the contract was also redefined. He explained that there were also changes made to sections 10.4 and 10.5 in regard to the deduction of union dues.

A ROLL CALL VOTE WAS TAKEN ON THE MOTION TO SUBSTITUTE THE PROPOSED LABOR CONTRACT TO INCLUDE LANGUAGE REGARDING THE “JANUS LAW” AS FOLLOWS:

YEAS: Pruhs, Therrien, Huntington, Cleworth, Bagwill, Rogers
NAYS: None
Mayor Matherly declared the MOTION CARRIED.

Chief of Staff Mike Meeks explained the changes in the contract. He stated the union agreed to the following during negotiations: drug testing, dropping the City's contribution for union leave, improving Workers' Comp, dropping one firefighter from manning the aerial platform, reducing three captains by making them firefighters, improving the internship program, reducing the clothing and bedding allowance, and dropping the admin physicals. He stated that the City agreed to a three-year financial package based on the Anchorage CPI with a minimum of 1.5% and a maximum of 3%, an increase in minimum manning from nine to eleven 50 of the time with an understanding that the City may opt out if ground emergency medical transport (GEMT) funding does not materialize, language requiring that the agreement revert to the language in the previous contract if the if the City non-funds the Fairbanks Firefighters Union (FFU) contract, and four hours of employee retention leave (ERL) for every year worked with certain restrictions.

Mr. Cleworth asked Chief Financial Officer Carmen Randle for a staff report and asked her to hit the highlights of the fiscal note. Ms. Randle explained that she had Controller Margarita Bell go over the numbers with a fine-tooth comb, then she also reviewed them carefully. Ms. Randle spoke to City revenues being relatively stagnant over the next few years. She projected an increase in property and marijuana taxes in coming years, a decrease in inter-governmental revenues, an increase in GEMT funding and Fairbanks Emergency Communications Center (FECC) contracts, and an increase in garbage collection revenue. Ms. Randle spoke to the three-year forecast of City expenses, including projected costs for other labor agreements.

Ms. Therrien asked when the GEMT funding is expected to come in; Ms. Randle replied that the funding cannot start accruing until the State goes through the public notice and tribal notice process.

Fire Chief Jim Styers clarified that the effective date for reimbursement will be the date of the public and tribal notice and that funds would probably not start coming in for another 18 months.

Mr. Cleworth stated that Ms. Randle's cost projection for the International Brotherhood of Electrical Workers (IBEW) and the Public Safety Employees Association (PSEA) is a best-case scenario. He stated that in 2014 when he was not on the Council, the Council realized the PSEA contract was not affordable. He stated the Council's vote on the contract was split, and the Mayor at the time voted to ratify the ordinance which was later reconsidered. **Mr. Cleworth** stated if the Council would have followed the Fairbanks General Code they would not be in the position they are currently in with the PSEA. He stated the Code requires that the Council limit personal leave to reasonable levels, and that is why he does not support bonus leave. He stated he received emails from former City of Fairbanks Chief Financial Officers Ron Woolf and Jim Soileau advising that the Council not approve the contract as written with bonus leave included. **Mr. Cleworth** read the emails into the record. He commented that other bargaining units will want the same benefits firefighters are given. He stated bonus leave does have an associated cost to the City. He stated if comp time is billed, leave banks can be built up and cashed out, and the same applies to bonus leave. He commented that the FFU contract is the only contract in the City to have minimum manning requirements. **Mr. Cleworth** stated that \$461,000 in overtime is a lot of money. He listed reasons not to raise minimum staffing from nine to eleven and commented that paying overtime to keep up with minimum staffing is the least effective way to do business. He spoke against funding the contract because it is too expensive and that if the ordinance passes, he sees problems arising relating to staffing. He stated he does not know why

there is an increase in ambulance calls, but he would like to investigate the issue before moving forward with the contract.

Mr. Pruhs commended the Council for the questions being asked about the contract. He thanked staff for looking at long-term financials to help the Council make an informed decision.

Ms. Therrien shared her concern for the Fire Department not being able to keep up with the call volume and stated that the contract would solve that problem. She stated if the Council is unwilling to approve the contract, they should hire more firefighters to help decrease overtime. She stated the contract provides for a third ambulance to be on shift, and she believes that is important. She asked which fiscal note is being discussed; Ms. Randle replied that they are discussing the first fiscal note.

Ms. Huntington expressed confusion about the vote on the proposed substitute fiscal note for Ordinance No. 6079, as Amended. She indicated that she may want to reconsider that vote if the fiscal note before the Council is inaccurate. Ms. Randle indicated that the GEMT recovery funds listed in the fiscal note are not accurate because the receipt date of the funds is unknown and will not occur in 2019.

Chief of Staff Mike Meeks stated that revenues and expenditures are exaggerated in the fiscal note before the Council and is inaccurate.

Mr. Cleworth stated that if the Council accepts GEMT funds, the funds would be “dedicated” according to the proposed fiscal note, which is against State law. City Attorney Ewers explained that the GEMT funds would go into the General Fund, and the cost of the contract would come out of the General Fund. **Mr. Cleworth** stated that if the City receives the GEMT funds, it would be required to bump minimum staffing to eleven at the Fire Department. He stated both fiscal notes are inaccurate, and the Council needs to see correct numbers before moving forward.

Mr. Pruhs asked if other labor contracts use dedicated funds. Mr. Ewers clarified again that the funds are not dedicated, and he explained the purpose of identifying a funding source for ordinances and resolutions. He stated the funds would not be dedicated to the contract; rather, they would be identified as the source of funding for the contract.

Ms. Huntington, seconded by **Ms. Therrien**, moved to RECONSIDER the motion to substitute the amended fiscal note for Ordinance No. 6079, as Amended.

Mr. Cleworth spoke in opposition to the amended fiscal note.

Ms. Huntington stated that fiscal forecasts are necessary and are part of the process; she stated that the Council does not have a crystal ball, but she would like to move forward with the most up-to-date fiscal information. She stated that she would like to see the Council move forward with the firefighters contract and expressed her support for it.

Ms. Therrien indicated that the proposed substitute fiscal note better reflects the fiscal impact of the ordinance. She stated the numbers can be looked from a negative point of view or a positive point of view, and she urged the Council to reconsider the motion.

Mr. Cleworth stated if the City receives GEMT funds, the funds must go toward the contract. He argued that the current fiscal note better demonstrates the true cost of the contract, and he wants the general public to understand that.

A ROLL CALL VOTE WAS TAKEN ON THE MOTION TO RECONSIDER THE MOTION TO SUBSTITUTE THE AMENDED FISCAL NOTE FOR ORDINANCE NO. 6079, AS AMENDED, AS FOLLOWS:

YEAS: Therrien, Huntington
NAYS: Rogers, Pruhs, Bagwill, Cleworth
Mayor Matherly declared the MOTION FAILED.

Ms. Huntington spoke to negotiating in good faith and indicated that she would like to add some positive momentum to labor negotiations. She stated that working together would be a good thing for everyone involved and that she would like to see forward motion on the firefighter contract. She stated that negotiating means a give and take on both sides and that she would be voting to approve the contract.

Mr. Bagwill commended the negotiation team for coming up with solutions to the contract. He stated he had questions about the bonus leave that two former City CFOs have spoken against. He stated he has learned in Finance Committee meetings that the cost of the bonus leave is too much, so he does not think he can support the contract for that reason. He stated Mr. Cleworth spoke at the Finance Committee meeting why funding bonus leave is not good for the City.

Ms. Therrien stated she did not remember the issue of bonus leave ever being mentioned in the direction given by the Council.

Mr. Pruhs stated the numbers have changed radically and that the City cannot afford to fund the contract. He stated that he is now seeing the full fiscal aspect of the contract, and he cannot in good faith support it due to the unknowns.

Mr. Cleworth stated the three-year projection that they are looking at does not include bonus leave, but if the contract is approved, every other union would ask for the same benefit. He stated that the Code says when a contract is signed a funding source has to be identified, and that is not the case with this contract. He stated there is no funding source for the contract and advised the Council against accepting its terms. He stated two former City CFO's have advised the Council not to approve the language regarding bonus leave.

Ms. Rogers stated that she appreciates what everyone has to say about the contract and thanked everyone for all the effort put forth. She stated the Council has arrived at a point of confusion, and it is not a good place to be in when making a decision. She stated that any time there is confusion around making a major decision, it is best to take a step back before moving forward.

Mayor Matherly stated he appreciates the Council's input and concern surrounding the contract, but he is not confused by its terms. He stated the Fire Department cannot pick and choose which calls they respond to. He spoke about the ride-along he went on with the firefighters and commented that the department serves many people who are not City residents. He stated that City has lost mutual aid, and there is an increase in the mission of the Fire Department. He

spoke to the negotiation process and to the number of things the FFU gave up. **Mayor Matherly** stated he respects Finance Committee members, but things have changed since those CFOs worked at the City. He stated that the Council has indicated that they do not want increased overtime or increased staff through a Staffing for Adequate Fire and Emergency Response (SAFER) grant, so he questioned what solution they would like.

Ms. Rogers stated she is confused by the statement that the Council does not support a SAFER grant because she recalls that only Mr. Cleworth was against it. She stated she would like more clarity moving forward.

Mr. Cleworth stated that in the previous budget cycle, the Mayor proposed dropping two firefighters, but the Council pushed to only lose one. He stated the SAFER grant is a bill for half a million dollars, and that is why he voted against it.

Ms. Rogers stated that the firefighters have her heart, but the Council is bound by rules in the Code. She stated that the issue requires more observation.

Mr. Bagwill asked if this year's contract cost would be recovered through GEMT funds; Ms. Randle stated the 2018 and 2019 funds would not be recovered until 2020. **Mr. Bagwill** asked why the Council would approve the contract if they know the funds will not be recovered for three years. Ms. Randle explained the reasons why the fiscal note was revised; she stated that there was a change made at the State level that changed the date of recovery for GEMT funds.

Mr. Meeks explained that each fiscal note has a top part and a bottom part. He stated that the bottom portion deals with the increase to minimum staffing which is directly dependent upon the City receiving GEMT funds. He stated that the remainder of the contract would still go into effect upon approval of the ordinance, but that the increase in minimum manning would end after December 31, 2018 if GEMT funds were not received from the State.

Mr. Bagwill asked Ms. Randle for the cost of the contract; Ms. Randle stated it would cost \$137,000 for the first year; she stated that the total cost beyond that would be affected by the timing of the GEMT funds. **Mr. Bagwill** asked about the total cost of the contract excluding the minimum manning/GEMT issue. Ms. Randle explained the total estimated cost each year for three years, excluding the GEMT/minimum manning item. **Mr. Bagwill** asked what that \$498,769.95 dollar amount would equate to in a percentage increase for the FFU.

Mayor Matherly called for a brief recess.

Ms. Randle, in response to Mr. Bagwill's question prior to the break, stated that the cost would be equivalent to an 8.5% increase over three years.

Mr. Cleworth stated that in one year the FFU would increase two to three times more than the increase given to the AFL-CIO. He stated he did not know how the Council would be able to explain the lack of funding for snow removal if they funded the FFU contract.

A ROLL CALL VOTE ON THE MOTION TO ADOPT ORDINANCE NO. 6079, AS AMENDED, AS FOLLOWS:

YEAS: Huntington, Therrien
NAYS: Bagwill, Cleworth, Rogers, Pruhs
Mayor Matherly declared the MOTION FAILED.

He stated they are hoping it will be an independent non-profit by October 1.

Frank Turney, 329 6th Avenue, Fairbanks – Mr. Turney spoke to the incident that happened at the July 4 celebration at Pioneer Park. He stated after testifying about it at the last Council meeting he got a visit from Officer Kurt Lockwood at his home to inquire about his statements regarding the incident. Mr. Turney stated he was told the incident involved mistaken identity, and he asked the Mayor to look into the issue further.

Victor Buberger, P.O. Box 58192, Fairbanks – Mr. Buberger asked that Public Works take a look at 26th Avenue and Cushman because there has been a big pothole there all summer. He asked the Council to allow volunteers to work at the Fire Department. He asked that the Council open Executive Sessions to the public and that a Council member told him it would be illegal to do so. He reported a story of a friend that was shot 63 times by police officers and reported that the police are not as great as they think they are.

Michael Farrell, P.O. Box 72822, Fairbanks – Mr. Farrell stated the Council made a wise choice by voting down the FFU contract. He stated he believes the administration should communicate better with the Council because there appears to be a complete disconnect. He stated he believes investigating the increased call volume is pointless because if the answer is not politically correct, the results will not be shared.

Shoshanna Kun, 326 Wedgewood Drive, Fairbanks – Ms. Kun thanked the Council for serving and thanked the City Clerk for keeping proper procedures during the meetings. She encouraged community members to consider joining a board and representing their community.

Hearing no more requests for public comment, **Mayor Matherly** declared Public Testimony closed.

Mayor Matherly explained to Mr. Turney that an employee of Pioneer Park reported to police that he saw a man with a machete and identified him to police officers. He stated that once the officers questioned the man, they realized he was the wrong person. Officers spoke to the man who was approached and explained the situation, and the man was understanding of the issue. He stated officers later found the correct man, and he was taken into custody without incident.

Ms. Therrien stated she enjoyed watching the Golden Days Parade with her granddaughter, and it was nice to see how much of the community came out to enjoy the events of the day.

Mr. Pruhs gave his condolences to the family of Bryan Imus and spoke to how sad the news was. He stated he is still recovering from the Alaska BBQ Championships over the weekend and that he and his team held their own.

Mr. Cleworth stated it is good to see Mr. Meeks back and in better health. He stated he remembers when Bryan Imus was a Public Works employee and shared what a good person he was. **Mr. Cleworth** stated he would like to have a better understanding of why the call volume has increased so much for the Fire Department. He asked if interns and volunteers could be used to fulfill minimum manning requirements and stated that he would like to discuss the issue at a Finance Committee meeting.

Mr. Bagwill stated it is good to see Mr. Meeks back and almost at full strength. He offered his condolences to the family of Bryan Imus and asked that people remember the joy he brought to everyone's lives. **Mr. Bagwill** stated he got the letter from the City Clerk that Michelle Gutierrez's last day at the City would be July 31 and stated that it would not be fun trying to replace her.

ORDINANCE NO. 6089

**AN ORDINANCE TO AMEND FAIRBANKS GENERAL
CODE CHAPTER 46, ARTICLE IV, OFFENSES
INVOLVING NUISANCES, BY ENACTING DIVISION 4,
ILLEGAL CAMPSITES**

WHEREAS, the City of Fairbanks, in conjunction with other state and local agencies, has worked to address the need for housing and other services for the homeless population; and

WHEREAS, because of these efforts, the Fairbanks area does not have a shortage of safe shelter options for the homeless population; and

WHEREAS, despite these available shelter options, many people continue to occupy illegal campsites; and

WHEREAS, these illegal campsites are not designed for camping, do not have adequate facilities for disposal of trash and waste, tend to foster drug and alcohol use and other illegal activities, and put vulnerable populations at risk.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF FAIRBANKS, ALASKA, as follows:

Section 1. Fairbanks General Code Chapter 46, Article IV, Offenses Involving Nuisances, is hereby amended by adding a new Division 4 as follows:

CHAPTER 46. OFFENSES

ARTICLE IV. OFFENSES INVOLVING NUISANCES

DIVISION 4. ILLEGAL CAMPSITES

Sec. 46-186. Illegal Campsites Prohibited.

(a) An illegal campsite is an area where one or more persons are camping on publicly owned land that has not been designated for camping by the governmental entity that owns the land or has authority over the property.

(b) An illegal campsite is subject to abatement by the city. In addition, a person who continues to camp after being notified that the site is an illegal campsite is subject to prosecution for criminal trespass under AS 11.46.330.

Sec. 46-187. Abatement; required notice.

(a) When the public land where an illegal campsite is located is posted with no trespassing signage, no camping signage, or as not being open to the public, including

posting of closed hours, the abatement of a campsite on such land may proceed without additional notice, after the occupants of the illegal campsite are provided at least one hour to remove their personal property. Personal property not removed by the occupants may be disposed of in accordance with the provisions of this Division.

(b) When an illegal campsite is located on public land not posted as provided in subsection (a), a notice of campsite abatement must be placed at the entrance of each tent, lean-to, or other shelter. The notice must also be given orally to any person in or around the illegal campsite or any person who identifies as an occupant of the campsite.

(c) The notice required under subsection (c) shall:

- (1) State the approximate location of the campsite, the code provision under which the campsite is illegal, and that the campsite may be removed under the procedures set forth in FGC Sec. 46-188 or 46-189;
- (2) Identify whether it is a 72-hour notice or a 10-day notice;
- (3) Include contact and location information for reclaiming the property or disclaiming an interest in it, if the personal property is to be stored by the City; and
- (4) State that an appeal of the abatement may be filed with the mayor's office and include the deadline for filing an appeal, the mayor's address, telephone number, and email address.

Sec. 46-188. Abatement – 10-day notice.

(a) The city may post an illegal campsite with a notice stating all personal property not removed within 10 days of the date and time the notice is posted may be removed and disposed of as waste. At the expiration of the 10-day period, personal property at the illegal campsite may be disposed of as waste if no person has come forward to claim the property. If the owner or person in possession of personal property at the time the notice is posted responds in writing of their intention to remove the personal property, the city shall not remove personal property for 10 days from the date of the person's response. If the personal property is not removed within that time, or in any case within 20 days of the date the notice was first posted, it shall be conclusively presumed that the personal property is abandoned and may be summarily disposed of as waste.

Sec. 46-189. Abatement – 72-hour notice.

(a) In circumstances where the Police Chief has determined that the illegal campsite poses an imminent threat to public health or safety, the city may post an illegal campsite with a notice stating all personal property not removed within 72 hours of the date and time the notice is posted may be removed and stored by the city.

(b) The city may store the personal property removed from an illegal campsite in any reasonable manner. At the time of removal, a notice shall be posted at the location, unless previously posted notices are still visible and accurate, with contact and location information for reclaiming personal property or disclaiming an interest in it. If no person comes forward to claim the property, the city may dispose of the personal property 30 days from the date a notice in subsection (a) was posted. If the person in possession of the personal property at the time it was removed, or at the time the illegal campsite was posted, identifies it and disclaims any interest, the personal property may be disposed of immediately. If the owner reclaims stored personal property, it shall be released to them.

(c) For purposes of this Division, the following criteria applies:

- (1) Junk, litter, garbage, debris, lumber, pallets, cardboard not used to store other personal items, and items that are spoiled, mildewed, or contaminated with human, biological or hazardous waste shall not be stored and may be disposed of summarily.
- (2) A weapon, firearm, ammunition, or contraband shall be delivered to the Fairbanks Police Department and processed in accordance with FGC Chapter 62, Art. II.

(d) If not subject to subsections (c)(1) or (c)(2), the following items, when in fair and usable condition and readily identifiable as such by persons engaged in removing an illegal campsite, shall be deemed valuable and eligible for storage:

- (1) Tents and similar self-contained shelter;
- (2) Sleeping bags;
- (3) Tarps;
- (4) Toiletries and cosmetics;
- (5) Clocks and watches;
- (6) Medication;
- (7) Personal papers and identification;
- (8) Photographs;
- (9) Luggage, backpacks, and other storage containers;
- (10) Books and other reading materials;
- (11) Radios, audio and video equipment;
- (12) Generators;
- (13) Cooking equipment in clean condition;
- (14) Shoes and clothing; and

- (15) Property stored in a manner that reasonably suggests the owner intended to keep it.

Sec. 46-190. Abatement procedures.

(a) Before an illegal campsite is removed under Sec. 46-188 or 46-189, the responsible city official shall verify whether an appeal of the notice of campsite abatement was filed within the applicable time period. If no timely appeal was filed, removal of the campsite may proceed. If an appeal was timely filed, abatement of the campsite area is stayed until the appeal is withdrawn, settled, or a decision is issued and any subsequent appeal rights have expired. At any time after the expiration of the notice period, the city may remove personal property and store it until either the appeal is withdrawn, settled, or a decision is issued, and any appeal rights have expired. Storage of personal property and its release shall be in accordance with Sec. 46-189.

(b) At the time removal is to begin, if any individuals are present at the campsite, they shall be verbally notified the campsite is illegal and to be abated. Prior to actual removal, individuals present will be given a reasonable amount of time, not to exceed 30 minutes, to gather their personal property and leave the property. The responsible city official or persons working under their authority shall not prevent individuals claiming personal property from removing that property immediately unless the personal property is unlawful or otherwise evidence of criminal activity.

(c) Nothing in this section shall prevent:

- (1) A peace officer from conducting an investigation, search, or seizure in a manner otherwise consistent with the state and federal constitutions, or federal, state, or local law;
- (2) Lawful administrative inspection or entry into an illegal campsite, or prevent clean-up of garbage, litter, waste, or other unsanitary or hazardous conditions on public land at any time; or
- (3) Where exigent circumstances posing a serious risk to human life and safety exist, proceeding with the abatement of a campsite without prior notice. Personal property removed under this paragraph shall be stored in accordance with Section 46-189, to the extent reasonable and feasible under the circumstances.

(d) The city, its employees, and agents shall not be liable for damages as a result of an act or omission in the storage, destruction, disposition, or release of property under this Division, but this does not preclude an action for damages based on an intentional act of misconduct or an act of gross negligence.
