

ORDINANCE NO. 6257

**AN ORDINANCE TO PRESENT TO THE QUALIFIED VOTERS OF THE
CITY OF FAIRBANKS THE QUESTION OF AMENDING CITY CHARTER
SECTION 6.5 TO EXEMPT ALCOHOLIC BEVERAGE TAX REVENUES IN
EXCESS OF \$2,000,000 FROM THE TAX CAP LIMITATIONS.**

WHEREAS, on October 3, 1989, City of Fairbanks voters incorporated the tax cap into the City Charter, which essentially stated that the amount of total property and sales taxes the City could collect from one year to the next could only grow with the inflation rate, new building construction (added to the basis), payment of voter-approved bonds, and other limitations contained in Charter Section 6.5; and

WHEREAS, the majority of Fairbanks Emergency Communication Center, Fairbanks Police Department and Fairbanks Fire Department calls are in response to incidents involving alcohol; and

WHEREAS, all Emergency Service Patrol calls are to aid people suffering from chronic inebriation; and

WHEREAS, the nationwide workforce shortage has put a high demand on public safety employees; and

WHEREAS, the City must recruit and retain qualified personnel to answer and respond to a steadily increasing call volume for alcohol related incidences; and

WHEREAS, alcohol sales in Fairbanks have increased each year for the past five years; and

WHEREAS, the alcoholic beverage sales tax is under the tax cap, and raising taxes above this cap requires approval by City voters; and

WHEREAS, subject to appropriation, amending City Charter Section 6.5 to exempt alcoholic beverage tax revenues in excess of \$2,000,000 from the tax cap will allow for additional funding for critical public safety services while preserving the first \$2,000,000 of the alcohol tax to offset property taxes; and

WHEREAS, a unanimous vote of the City Council is required to propose an amendment to the City Charter, and no amendment is effective unless and until it is ratified by qualified City voters.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF FAIRBANKS, ALASKA, as follows:

SECTION 1. The City Clerk is directed to place the following question on the ballot for ratification by the voters of the City of Fairbanks at the 2023 regular election:

Proposition B:

INFORMATION: Most public safety calls for service are in response to alcohol-related incidents. The call volume for these services has been steadily climbing in Fairbanks. Alcohol sales have steadily increased in Fairbanks over the past five years, but the alcohol beverage sales tax is under the City's tax cap and has not generated additional City revenue. Proposition B seeks to exempt annual alcoholic beverage sales taxes in excess of \$2,000,000 from the tax cap. The effect of the passage of Proposition B would be that the first \$2,000,000 collected in alcoholic beverage sales taxes would be used to offset property taxes, and any additional alcoholic beverages tax funds collected would be subject to annual appropriation by the City Council, with the intent to support public safety services.

Should Fairbanks City Charter Section 6.5 be amended by adding new subsection D to read as follows?

D. Increases in the alcoholic beverage tax levied by the City in excess of \$2,000,000 shall be exempt from the application of Section 6.5.

NO _____

A "YES" vote amends Charter Section 6.5.

SECTION 2. This ordinance, passed by the City Council on the ____ day of August 2023, shall not become effective unless and until the question is approved by the voters of the City of Fairbanks.
