Jessica Lissow, 2703 Chief Alexander Drive, Fairbanks – Ms. Lissow thanked the Council for their service to the community and stated that her father, Mr. Mensik, is a dedicated member of the community. She stated her father is a great parent and grandparent, and the recent negative attention surrounding him is not warranted. She reported Mr. Mensik employs 150 local residents, and he cares about each one. She stated Mr. Mensik is a hands-on business operator, and he stops by each of his businesses daily. Ms. Lissow stated Mr. Mensik is a busy man, but he always makes time for his family. She stated she has read negative and untrue things about her father recently; she stated that he is a quality man and business man. She stated her father has given a lot to the community, and she provided some examples.

Ms. Rogers asked Ms. Lissow where she had read negative things about her father; Ms. Lissow stated she read news articles and social media posts. Ms. Lissow stated she grew up in Fairbanks and that she has heard negative comments about bar owners her whole life.

Rick Mensik, 115 Chief Evan Drive, Fairbanks – Mr. Mensik asked the Council to give consideration to all of the circumstances surrounding Kodiak Jack's. He stated he contributes to the community not just by employing people but also in paying his sales tax; he added that he donates to many local organizations. He spoke to the police callout report and stated that many of the calls took place while his establishment was closed. Mr. Mensik compared other liquor establishments to Kodiak Jack's, specifically Fred Meyer and Safeway. He stated he places a lot of emphasis on his security team and spends a great deal of money on payroll to keep them well-staffed and educated. He stated the safety of his patrons is very important to him, and he asked the Council to consider all factors when deciding whether to protest his license.

Ms. Rogers asked Mr. Mensik if he was still working with Police Chief Eric Jewkes to increase security at Kodiak Jack's. Mr. Mensik stated he has had several meetings with Chief Jewkes and has relayed the information to his security staff.

Ms. Therrien asked Mr. Mensik if he has implemented any new procedures since working with Chief Jewkes and, if so, whether there has subsequently been less police activity. Mr. Mensik reported his head of security now wears a body camera just like the type police officers wear. He stated he has been working with the military base to help reduce the number of incidents that occur at his business.

Mr. Cleworth asked about the hours of operation for Kodiak Jack's; Mr. Mensik stated the hours of operation are Thursday from 8 a.m. till 2 a.m. and Friday and Saturday from 8 p.m. to 3:30 a.m. **Mr. Cleworth** asked whether the BoomTown liquor license is adjacent to Kodiak Jack's; Mr. Mensik replied affirmatively and stated that it is owned by the same owners who own the Lemongrass Restaurant. Mr. Mensik stated that BoomTown Grill & Bar has different operating hours, but they open the space in the evenings when Kodiak Jack's is open because it is also the pull tab parlor.

Ms. Huntington asked how many people are on the security staff and how many security staff work on shift at the same time. Mr. Mensik stated he has 13 total security staff working Friday

nights, and he employs a total of 20 security staff. **Ms. Huntington** asked Mr. Mensik if he has metal detectors; Mr. Mensik stated they have metal detectors, and they pat each person down upon entry or reentry to Kodiak Jack's. He stated that females pat down the female customers, and males pat down the male customers. **Ms. Huntington** asked if lighting in the parking lot has improved; Mr. Mensik stated he has the letter that former Police Chief Randall Aragon signed after he made the requested lighting changes to the property.

Mr. Pruhs asked Mr. Mensik if he resides in City limits; Mr. Mensik replied affirmatively. He stated he moved to Fairbanks in 1983 and that he has been operating various businesses in Fairbanks since 1992. He reported he has complied with the requests of several different police chiefs over the years in order to increase the safety of patrons. **Mr. Pruhs** asked Mr. Mensik if he has ever been denied a liquor license; Mr. Mensik reported that he has not.

Nicholas Nyquist, 558 Gaffney Road, Fairbanks – Mr. Nyquist stated he is the landlord at 537 Gaffney Road, the location of Kodiak Jack's. He stated that, as the property owner, losing Mr. Mensik as a tenant would create a hardship. He stated Mr. Mensik has a great deal of knowledge of the building because he has occupied the space for so long. He stated there are other tenants in the building that would be affected if Kodiak Jack's was to lose its liquor license.

Mr. Pruhs asked Mr. Nyquist what he would do with the building if he lost Mr. Mensik as a tenant. Mr. Nyquist stated he did not know what he would do with the facility because it would need a significant amount of remodeling, and it would not be feasible. **Mr. Pruhs** spoke to the vacant businesses and buildings on Cushman Street; Mr. Nyquist spoke to the hazard of Kodiak Jack's being vacant and the amount of taxes that the bar generates for the City of Fairbanks.

Sean White, 899 Senate Drive, Fairbanks – Mr. White stated anytime a large number of people get together and consume alcohol someone is going to do something stupid. He stated if Kodiak Jack's closes, the crowd will simply migrate to another bar and cause the same kind of problems. He reported that Mr. Mensik has been responsive to all requests from safety officials and that shutting his business down would be curtailing commerce. Mr. White stated he works for the FFD, and he has only been called for incidents in the parking lot of the establishment, never inside of the bar. He stated the Council should work on the bigger issue with alcohol; he suggested that there be a requirement for a non-alcohol designation to appear on an individual's State identification card to prevent the purchase of alcohol by someone who is not allowed to do so. He further stated that the Council should enact an ordinance requiring that all alcohol purchases, no matter the age of the purchaser, be subject to an identification check to verify whether the individual has any alcohol-related convictions.

Frank Turney, 329 6th Avenue, Fairbanks – Mr. Turney stated he is against putting alcohol into his body but that the government should not be regulating what he puts into his body. He stated he appreciated hearing Mr. Mensik's daughter report on the good things he has done for the community. He stated that when he was younger he used to enjoy going out and having fun and that if the Council shuts down entertainment venues, the City will "go to hell in a handbasket." He echoed Mr. White's idea about an identification check for all alcohol purchases.

Victor Buberger, P.O. Box 58192, Fairbanks – Mr. Buberger spoke in support of an ordinance regarding an identification check but stated that it will not stop someone from having a friend

purchase alcohol for them. He stated he has been to Kodiak Jack's a few times and that Mr. Mensik seems to be doing the best he can with his security team. He stated it is a well-run business and that nothing is going to prevent people from acting like humans.

Hearing no more requests for public comment, **Mayor Matherly** declared Public Testimony closed.

Mr. Bagwill stated he is impressed with the amount of homework Mr. Mensik did prior to the Council meeting.

Mayor Matherly stated it is hard to compare Fred Meyer and Kodiak Jack's because of the tens of thousands of people who shop there each week compared to the limited hours of operation of the bar. He stated that he and the Council are concerned about public safety. He stated he works closely with Chief Jewkes to address public safety concerns and that there is nothing personal behind the questions being asked about Kodiak Jack's.

Mr. Pruhs thanked Mr. Mensik for coming to the Council meeting to testify both personally and professionally about his business.

Ms. Huntington thanked Mr. Mensik for attending and for giving an overview of the safety precautions that are already in place. She stated that when the Council receives the callout information, it is hard to determine what happened at a property. She stated businesses need to be held accountable, and she is happy to see that Mr. Mensik has addressed all safety concerns.

Ms. Rogers thanked Mr. Mensik for attending and for speaking about his liquor license renewal. She shared concern that other liquor license owners were not present to speak on behalf of their respective liquor license renewals.

Sean White, 899 Senate Drive, Fairbanks – Mr. White stated that his salary appears inflated because he earns overtime; he stated that when the City calls, he goes to work. He stated the number one way to reduce overtime is to staff adequately; he stated the City will not staff departments sufficiently. He stated he has worked for the City for almost 25 years and that every

year the overtime budgets are out of control due to inadequate staffing. Mr. White reported he just took a 4% pay decrease because the Council chose not to fund the Fairbanks Firefighters Union (FFU) contract. He stated each ordinance has a fiscal note attached, and it was wrong for the Council to amend the budget on with floor without discussing it in a Finance Committee meeting. He stated nobody knows how much the Council took from the FFD when they non-funded healthcare, took away their 1% raise, and cut one position. He stated the Council should not approve the AFL-CIO contract because that would be treating one union better than another.

He stated that Fairbanks has become a less desirable place to work and live. He spoke to the history of labor negotiations between the City and the FFU. Mr. Renner indicated that when the Council chose to non-fund the contract, morale decreased. He stated that the department’s call volume has increased by 20% since he was hired, yet they continue to be understaffed. He stated he has stated looking for new employment because the Council continues to dump money into the Permanent Fund and go back on agreements with the union. Mr. Renner spoke to a Council member’s recent comment about the current Council being the best Council to work with; he stated he does not believe that to be true.

Michael Farrell, P.O. Box 83327, Fairbanks – Mr. Farrell stated he has been looking into a blockchain; he stated that a lot of people do not know what peoples’ wages are.

PLEDGE OF ALLEGIANCE

Vice Chair Walters led the group in the Pledge of Allegiance.

APPROVAL OF AGENDA

Mr. Toelle, seconded by Ms. Webb, moved to APPROVE the Agenda.

Vice Chair Walters took a voice vote on the motion to APPROVE the Agenda. The motion PASSED unanimously.

CITIZENS' COMMENTS (Limited to 3 Minutes)

Robert Shields, 145 Marten Drive, Fairbanks – Mr. Shields stated that he was asked by Ms. Borges to attend the meeting. He commended the work of the FDC and stated that he would like to plant two seeds with the FDC: 1) consider working with the Fairbanks Climate Action Coalition to put together a diversity parade at the Earth Day event; and 2) recommend that the City of Fairbanks participate in identifying and making available renewable energy for tax-challenged organizations and underserved community members. He stated that converting to solar energy may cost \$15,000 – \$20,000 per household, but that everyone should be looking at renewable energy in the current climate. He spoke to local support for the project.

Frank Turney, 329 6th Avenue, Fairbanks – Mr. Turney referenced the magazine article he distributed prior to the meeting regarding privacy in public restrooms. He read aloud parts of the article which spoke out against the bathroom mandate. Mr. Turney stated that the mandate invades the privacy of individuals and is harmful in other ways. He expressed his opinion that gender questioning is a mental health issue. Mr. Turney briefly spoke to discrimination in the jury pool. He mentioned that the industrial hemp bill passed the Senate.

Sharon Hunter, 322 Cross Way, North Pole – Ms. Hunter stated that when she heard about the FDC she went online to find out more. She stated that the most recent meeting minutes she found were from June or July and that she was told by City staff that there were no more recent minutes available.

Clerk Snider stated that there is a time lag in posting minutes due to the approval process but that meeting minutes through September are available. She stated that she would make sure the website is updated.

Mr. Butler asked Ms. Hunter what she thought of the site. Ms. Hunter suggested that the Diversity Action Plan (DAP) be linked to the Fairbanks Diversity Council webpage, not just the City's homepage.

Hearing no more requests for comment, Vice Chair Walters declared Citizens' Comments closed.

CALENDAR OF EVENTS

Vice Chair Walters talked about upcoming holiday events he saw posted on the Explore Fairbanks website; he mentioned the Dr. Martin Luther King, Jr. holiday weekend and events in January. Mr. Lee stated that No Limits will hold its 4th annual Night of Hope event on December 23 from 6 – 8 p.m. at the JP Jones Center. Ms. Taylor shared that FNA will hold its Christmas party on December 13 from 5 – 8 p.m. at Pioneer Park, and everyone is welcome.

APPROVAL OF PREVIOUS MINUTES

a) Regular Meeting Minutes of October 10, 2017

Mr. Toelle, seconded by Ms. Taylor, moved to APPROVE the Regular Meeting Minutes of October 10, 2017.

Vice Chair Walters took a voice vote on the motion to APPROVE the Minutes. The motion PASSED unanimously.

FAIRBANKS POLICE DEPARTMENT & HUMAN RESOURCES REPORTS

Police Chief Eric Jewkes stated that the Fairbanks Police Department (FPD) has been busy. He shared that two officers recently came out of field training and are doing well on their own. He stated that three officers have just returned from the academy, two with military backgrounds and one local young man. He stated that FPD is gearing up to fill a February police academy, and they still have seven officers left to hire. Chief Jewkes stated that Officer Lewis retired at the end of November, and there is a constant ebb and flow in staffing. He expressed hope that 2018 would be quieter than 2017. In response to a question from the Vice Chair regarding

diversity, Chief Jewkes stated that one of the new officers is a female and another is Hispanic. He added that the Dispatch Department is struggling also with seven vacancies.

Members asked the Chief questions about diversity training efforts, translation resources, interactions and involvement with other local law enforcement agencies, and cultural immersion in the community.

Ms. Foster-Snow shared that the City has been working through its 2018 budget, and it was approved by the City Council on December 11. She stated that the City's negotiating team continues to work through labor negotiations with the various unions. She stated that HR has been busy hiring temporary operators at Public Works for snow removal. In regard to the earlier comments about the City's website, she announced that the City is collecting bids for a new website design and there are plans to move to a new website soon.

Vice Chair Walters noted that City Attorney Paul Ewers was present. He requested that a discussion on the powers and duties of the FDC be added under Unfinished Business; no members objected.

DIVERSITY TOPIC OF THE MONTH

Mr. Butler suggested inviting the Borough Mayor to an FDC meeting since the body has a direct impact on both the City and the Borough. Vice Chair Walters stated that for January and February diversity topics, he has noted to invite students from the African-American clubs in the FNSB School District and Mayor Karl Kassel. Ms. Rogers stated that she would like to invite elders "of a certain age and experience" to participate in a future meeting; she commented that elders are an important part of the community. Ms. Borges stated that she would like to extend an invitation to representatives of the NAACP Bennie Colbert and Ruby Sutton.

UNFINISHED BUSINESS

a) Powers and Duties of the FDC – City Attorney Paul Ewers

City Attorney Ewers stated that the limitations of the FDC's authority may depend on the issue; he referenced his recent, written memo to the City Clerk which was forwarded to the membership. He stated that, in general, the FDC may continue with its public outreach and support for certain projects without governing body approval. He stated that if the FDC would like to take a position on an issue the City Council or Borough Assembly has the authority to act upon, the FDC would have to make a recommendation to the governing body. In response to a question from Vice Chair Walters, Mr. Ewers explained the difference between the FDC's authority to get involved with projects like the "potty project" versus it taking an official position on a bill in the state legislature.

Members provided comments and asked questions of Mr. Ewers related to the FDC's powers and authority. Attorney Ewers clarified that the FDC is an advisory body to the City Council and the Borough Assembly, and he again referenced his memo which quoted FGC Sec. 2-234. He stated that the FDC has the authority to write position papers to advocate for certain things in the community. Members indicated they would like to see more involvement and communication between the FDC and the FNSB.

Mr. Ewers closed by stating that he welcomes future questions from the FDC as issues arise.

NEW BUSINESS

- a) City Ordinance No. 6064 – Changes to Chairperson Position

Vice Chair Walters read aloud the changes in FGC 2-233(a). He asked members to begin considering whether they are interested in serving as a Chair, and he suggested that the item be addressed at the January meeting. He spoke about what is expected of the position.

FDC COMMITTEE REPORTS

Education & Outreach/Media & Communications Committee – **Vice Chair Walters** stated that there were no November or December meetings, and there is nothing to report.

Accessibility Committee – **Mr. Toelle** stated that he was the only member present at the meeting, and he has nothing to report.

Policies & Procedures Committee – **Ms. Sanford** stated that she is proposing to cancel the January 4 meeting and instead do a “trifecta” of meetings starting later in January focused on policy writing. She stated that she is looking at noon meetings on January 18, 25 and February 2, 2018. She asked committee members to respond to the email she sent.

At **Ms. Borges’** request, **Vice Chair Walters** invited Ms. Tanya Coty to come forward to speak since she did not speak under Citizens’ Comments. No members objected.

Tanya Coty, 616 Steele Creek Road, Fairbanks – Ms. Coty introduced herself as the Equal Opportunity and Educational Coordinator for the FNSB School District. She stated that she would be regularly attending FDC meetings instead of Wendy Tisland, the former Executive Director for the District. She stated that she looks forward to working with the FDC but that she would be unable to attend the January 9 meeting. She stated that she has been working with Mr. Walters on some issues. Ms. Coty shared that the District just finished its Affirmative Action Plan, and she will be presenting statistically-significant findings in the Plan to the School Board in January. She spoke about recent changes to the District’s Diversity Committee, and she invited folks to apply to serve by visiting the School District website. She shared that the next Committee meeting will be held on January 18, 2018.

FDC MEMBERS COMMENTS

Mr. Lee apologized for not being physically present. He stated he has no other comments.

Ms. Kan commented on the short and sweet meeting. She asked how the FDC understands the definition of the term “transgender.”

Vice Chair Walters stated that he would speak with Hayden Nevill to see if he could provide the FDC with a definition of the term.

Ms. Rogers stated that it was a good meeting with a good turnout. She stated she is eager to advance with a more involved communication and relationship with the FNSB.

Ms. Sanford thanked Ms. Slayton for providing everyone with the packet of information, and she encouraged everyone to read it. She stated she is amazed at how much local folks misunderstand Alaska Native culture and community. She stated that the project "Native Truth" expels some of the myths about Native Alaskans. She expressed disappointment in the City Attorney's opinion; she stated that she fundamentally disagrees with his interpretation of the City ordinance. She stated she will push the limits on the issue of FDC authority and power for the remainder of her term.

He stated that domestic violence is prevalent in Fairbanks, and those are the most dangerous calls for the FPD. He stated that with low staffing levels, the FPD is currently in reactive mode in regard to domestic violence issues. **Ms. Slayton** indicated that she would like to see more attention given to being proactive with domestic violence issues in Fairbanks. She indicated that outreach to churches is not as much of a priority in Fairbanks as the issue of domestic violence. Mr. Butler stated that he spoke with the Mayor earlier in the week. He indicated that the original purpose of FDC was to focus on discrimination in employment, and that changed with the DAP. He commented that there are many things in the Plan that require action, and he has not seen any sign-off on the items the FDC has completed. He stated he feels like the Mayor and more members need to be present in order to begin the DAP review process, and suggested that the item be tabled until the next meeting. He stated that the DAP should be the primary topic of the meeting. He indicated that he has a lot of comments and notes on the DAP.

Mr. Lee stated that most members who were around when the Plan was drafted are no longer on the FDC. He stated that it is easy to come along after the fact and pick the DAP apart. He expressed his belief that the FDC needs to accomplish things in the DAP before revising it. He commented that it would be good to review the goals of the Plan.

Mr. Butler stated that members should study the document then step into the review process. **Ms. Ottersten** commented that she reviewed the Plan and found it enormously confusing.

Ms. Davis agreed with Mr. Lee. He stated that the piece indicated that the primary focus of Alaska Natives is to preserve their culture. He stated he felt the handout wrongly stated the makeup of Alaska Native traditions. He spoke to Alaska Native cultural traditions that continue and stated that the culture is teaching its people how to succeed in the cash economy. He stated that point was missed in the handout. He stated that Alaska Natives are intent on training each other, and there are a lot of highly-trained and highly-skilled Alaska Natives.
