PROPOSAL FOR A ONE-STOP-SHOP FOR CHAUFFEUR LICENSE APPLICANTS

NOTARIZED STATEMENTS: Inconvenient for applicant and very time-consuming. Recent residents do not know people who can vouch for their good character. It has been observed many times that applicants and renewals resort to paying other driver's to stop by and sign on their behalf for a fee. References seldom even read what they are signing.

Recommendation: Discontinue. Their statement states that they are of good moral character.

8 YEAR LOOK-BACK CRIMINAL HISTORY REPORT(S) – All applicants must obtain their criminal history from the Alaska State Troopers (\$20.00). If the applicant is not dishonest this will fulfill their criminal history report requirement.

If the applicant has resided in another state within the past 8 years, they must also contact their state(s) of residency and request their criminal history report from a governmental agency. This delays issuance until required documents are received. The fees from different states vary and we usually are not informed of their costs. As other states become more electronically responsive, they want to email the results to the applicant (sometimes that is the only way they will respond) which calls into question their legitimacy. Some states (California) will outright deny issuance of criminal history reports for licensure requirements.

Recommendation: The agency used by AML/JIA's police investigator for background checks of potential police officers is "Criminal Background Checks (CBC)".

We can electronically search 46 state court records (excludes: DE, MA, SD and WY) The following is a description of the National Criminal Background Check:

The national criminal background check is an instant search that is the fastest most broadest way to investigate someone's criminal history within the United States. Our national criminal background checks search for criminal court records, county court records, correctional facility records, sex offender and most wanted criminal records. National criminal background reports show correctional facility records on current and historical inmates, court records, current and historical felony convictions, misdemeanor offenses and some traffic offenses and/or infractions.

- Search results include felony, misdemeanor, some traffic records and some infractions
- The national criminal background check only returns convictions, NOT arrest records
- The national criminal background check only includes sex offender data and limited other criminal data for some states. In order to keep this search instant, most criminal records from DE, MA, SD and WY are not included.

Like all our other criminal background checks, our national criminal background check comes with a [free National Sex Offender Check](#) and a [free America's Most Wanted Criminals List Search](#).

This provides instant results. Applicant would not have to drive anywhere and would not have to pay \$20.00 for their Alaska criminal history. This would eliminate any concerns about other states of residency or other states where criminal convictions might exist.

The report would not contain arrest records that did not result in convictions. Also it would not include information for 4 states listed above which would require the applicant to obtain the information as they do now. The report would include the DUI and DWSOL records because there is a criminal element to the offenses.

5 YEAR LOOK-BACK DRIVING RECORD(S) – All applicants must obtain their driving record from the State DMV (same building as AST) (\$10.00)

If the applicant has resided in another state within the past 5 years, they must also contact their state(s) of residency and request their driving record from a governmental agency. This delays issuance until required documents are received. The fees from different states vary and we usually are not informed of their costs.

The national criminal history described above would capture the following offenses that would prevent a license under the current code: 1) A moving violation which resulted in the suspension or revocation of the applicant's license, 2) Reckless or negligent driving, and 3) Driving while license is limited, suspended, or revoked. (See email from Paul Ewers stating Reckless Driving and Driving while license is limited, suspended or revoked is a misdemeanor and would appear on criminal history. However a "point system" suspension would not.) In my history, there has been only one denial for all of these offenses and the Council granted the applicant's appeal.

Currently the CBC provides driving records for individual states only for an additional \$24.95 per state. It appears that the State of Alaska DMV does not share its information electronically yet so CBC requires 7 days to complete.

Recommendation: For a one stop shop and to be more cost effective for the applicant, we would need to 1) rely solely on the criminal history for this type of offense, 2) eliminate these offenses that prevent a license, or continue to send them to DMV for their records or out of state if needed.

LOOKUP ON ALASKA SEX OFFENDER'S REGISTRY – The Clerk does a search by name on the State's Sex Offender's Registry online and prints the results.

Recommendation: The CBC includes the nationwide Sex Offender's Registry for free automatically.

DEFENSIVE DRIVING CERTIFICATE (RENEWALS ONLY) – This is inconvenient for the applicant, benefits the cab companies ONLY by saving money on their insurance costs, it adds anywhere from \$20.00 to \$40.00 plus a \$10.00 Test Fee (Depending on agency), and hurts the career cab driver who has already been driving cab for at least two years and has already proven his/her safety and driving capabilities. The ones who should take it, if at all, are the new drivers.

Recommendation: Eliminate this requirement.

NEW PROCESS / CHANGES PROPOSED:

Eliminate: 2 notarized statements by character references
Defensive Driving Requirement

Increase: Fees. Increase the application fee to \$75.00 to cover the cost of the online criminal history report and charge it regardless of new or renewing applicants.

ADVANTAGES OF PROPOSED RECOMMENDATION: This provides instant results. Checks criminal history nationwide and provides a one-stop-shop. These combined changes will result in a cost savings to the majority of applicants. A very few may pay a few extra dollars, but the convenience highly outweighs the small increase.

Hi Janey,

Attached are my suggestions. Please note that this is a new document that I saved on my desktop. I tried to take your document and do highlighting, strike out, etc., but it was too confusing. You will find:

1. Took out the italic in the heading "*CHAUFFEUR REQUIREMENTS*" (unless you wanted that)
2. Big rewrites for the whereases
3. Corrected the format for Sec. 86-76 (no indentation for text with (a)'s and (b)'s)
4. Sec. 86-77: made the first part (a) and added an new (b) which includes the language about the Clerk running criminal history reports

One question about the adjustment in the fees – will a renewal applicant be required to pay for a full background check?
