COMPACT TRACK LOADER

ITB 20-09

ADDENDUM NO. 1

July 31, 2020

Request for Proposal No.: ITB 20-09
Opening Date and Time: 2:00 PM, August 11, 2020

The following changes, clarifications, and or additions are hereby made to the Compact Track Loader ITB 20-09.

Questions and Answers:

- 1. Under the chassis warranty section of the ITB it asks for 60 month / 100,000 mile engine, including injectors and turbo and an optional extended warranty 60 month / 150,000 mile. The Compact Track Loader you are requesting would be measured by hours not by miles. Can I please get a clarification on the amount of hours the city would like for warranty coverage?**

The City of Fairbanks would like a warranty for 60 months and 3000 hours.

This amendment must be acknowledged by manually signing this amendment sheet and submitting it with the sealed bid documents.

All other terms, conditions, and specifications of the original Request for Proposal remain unchanged.
