1. **Introduction:** Through this solicitation, the City invites proposers who meet the qualifications and specifications in this document to submit proposals to provide custodial safekeeping services for the City's Permanent Fund ("the Fund") investment portfolio.
2. **General Information:** It is the intent of these specifications to describe the minimum requirement for a custodial safekeeping provider.

The Fund is managed by the head of the City finance department under the oversight of a five-person Permanent Fund Review Board (PFRB). The PFRB establishes rules of procedure and conducts a quarterly public meeting. Alaska Permanent Capital Management (APCM) serves as the investment manager for the Fund.

The City currently contracts with KEYTRUST Company to hold and safeguard all assets of the Fund. All transactions clear through the custodian who holds the assets for the benefit of the City. All deposits and requests for withdrawal are also transacted through the custodian. The custodian provides monthly reports regarding assets held at both book and market values and individual transactions.

Section 5 – Proposal Evaluation and Selection Process

1. **Initial Evaluation:** Initially, all proposals will be reviewed by the City Purchasing Manager to determine if they are administratively responsive to the RFP. Proposals that are administratively responsive will be distributed to the evaluation committee.

2. **Evaluation Committee:** Proposals will be reviewed and scored by an evaluation committee made up of the PFRB. The proposal selected by the PFRB shall be subject to approval by the Fairbanks City Council. During the evaluation process, the PFRB and the City reserve the right, where it may serve the City's best interest, to request additional information or clarifications from proposers, or to allow for corrections of errors or omissions **other than** the requirements for **timeliness and manual signature**.

At the discretion of the City or the PFRB, Managers submitting proposals may be requested to make oral presentations as part of the evaluation process. Each Manager selected for a presentation will be allotted sufficient time to present its proposal and to answer any questions that may be posed by the City or PFRB.

It is anticipated the selection will be completed no later than the **November 28, 2022**, council meeting, with the contract executed as soon as possible thereafter.

3. **Evaluation Criteria:** Responsive proposals will be evaluated based on the criteria set below.
 - A. **Cost [30%]** – Cost of requested services.
 - B. **Technical capability and compatibility of services [30%]** - Firm's ability to provide the requested service.
 - C. **Experience [30%]** – Firm's qualifications, financial strength, and experience in the performance of custodial safekeeping services.
 - D. **Personnel [10%]** – Firm's qualifications and experience of assigned personnel.

The City reserves the right to reject any or all proposals without penalty, to waive informalities or irregularities, except for signature and timeliness requirements, and to contract as the best interest of the City may require obtaining the services which best meet the needs of the City as expressed in this RFP.
